

Court House Waterproofing/Restoration/Engineering Services

February 2, 2011

Request for Qualifications

Project Number: 2011-01

Location: 1226 College Street, Newberry, SC

Description of Project: Newberry County is seeking Request for Qualifications (RFQs) from interested firms to assist the County in resolving water infiltration at the existing Newberry County Court House. The Court House has water infiltration from the roof and the basement and possibly other areas that are undefined.

Statements of Qualifications shall include project history outlining the specific problems and the resolution for each project as well as staff qualifications and experience in this field. Each project resume must include Owner contact information and other references and any other information that may be pertinent to evaluate the RFQs. Qualifications shall be evaluated base on experience of personnel, similar project scope and size and detailed information about the firms proposed method of correcting the water infiltration issue. The selected firm will review the documents and perform appropriate inspections of the structure an present to the County the best solution to remedy the infiltration. The selected firm will provide the best method and means for the resolution based on their previous experience and the proven track record for the products to be used.

Three copies of the qualifications shall be submitted.

Deadline for Submittals: Statements of Qualifications will be accepted by Newberry County until 3:00 p.m., February 23, 2011. Submittals shall be sent to the attention of Crystal Waldrop, Purchasing Director, Post Office Box 156, Court House Annex, 1309 College Street, Newberry, SC 29108. Questions may be submitted to cwaldrop@newberrycounty.net.
