

## Prosperity Dixie Youth Draft

A draft will be conducted **each** year for:

All new incoming players / Players that move from Minors to Majors / anytime a new team is added to the league / an existing team is dropped from the league.

The draft will be under the direction of the League Representative (s) and/or Administrator. The YMCA will notify players as to the time and date of the tryouts. All players that attend the tryouts will need to bring a glove.

Players not attending tryouts will be placed at the end of the draft using a random method of selection determined by the Prosperity League Representative(s).

Parents may request siblings to be placed on the same team. We will try to honor these requests if possible **but these requests are not a guaranteed placement.**

At the end of the draft, each coach will be allowed to trade one player with another coach. ***These trades must be of equal value (ranking) and age.*** The League Representative(s) must approve all trades.

Once a player is drafted and placed on a team roster, only the League Representative(s) and/or Administrator may release the child from the roster. A player may be dropped from the roster for the following reasons: (1) Moving out of area, (2) Sickness or injury, (3) disciplinary issues such as, dissension, derogatory remarks, lack of respect for coaches or players, ... (4) Missing more than 3 practices or games that are unexcused.

EACH CHILD WHO IS NOT ON A WAITING LIST WILL BE PLACED ON A TEAM.

**PARENTS PLEASE REMEMBER YOUR CHILD MAY NOT END UP ON THE TEAM HE/SHE DESIRES DUE TO THE DRAFT SELECTION ORDER.**
