1 Convenience centers
The county has 12 convenience centers located throughout the county. The centers accept only residential material, all commercial and business waste must be taken to the Newberry County Transfer Station, 11374 SC Hwy 34, Newberry.

2 The following items will be accepted:
Household trash
Furniture
(If you have a truck and trailer load of these items you may be asked to carry to the Transfer Station, because of the volume. This keeps these sites from filling up so the next citizen will have a place to place their materials.)

RECYCLABLE ITEMS:
Glass items - Please separate by color - brown & clear. The County no longer accepts green or blue glass for recycling. All food residues must be removed and containers rinsed.

Newspapers, Magazines and Office Paper are collected together. Also in this container you can place any item that can be torn by hand, for example paper egg cartons, school books (after hard cover has been removed), and soda boxes. If the container has a waxy coating or is contaminated with food it cannot be taken. NO plastic bags.

Cardboard - no food contaminated cardboard such as pizza boxes. All cardboard has to be flattened out before placing in the container. If the container has a waxy coating or is contaminated with food it cannot be taken. The cardboard only consists of the kind that has the wavy center (corrugated cardboard).

Used motor oil every site has a tank where you can place used oil, Newberry (Dixie Drive) Site has a gas/oil mixture tank. Beaver dam Site collects oil from farm equipment, limit 55 gallons per visit.

Oil Filters and Oil bottles can be carried to any site, the bottle need to be placed on the racks to be drained of any excess oil before placing in container for recycling.

Metals - washer/dryers, refrigerators, stoves, etc. (No automotive parts or materials, for example filters, engines, and engine components)
Any appliance with Freon needs to be placed at a specific site at each center, the Freon will be collected properly to keep it from escaping into the environment. Freon is in AC’s refrigerators and freezers.

Tires - 4 tires per month, no large tires, this service is for resident’s not businesses.

Batteries – used automotive, marine, and lawn mower batteries only.

Plastic Bottles – soft drink, milk, and other narrow-neck plastic bottles marked by a number #1 or #2 recycling symbol (usually found on the bottom). NO plastic bags, hard plastic (toys, kid’s pools), vinyl siding, or food plastic unless it is in bottle form.
Yard debris – tree limbs, leaves, or brush. No building material, railroad ties or large stumps are accepted to be recycled. No trash or plastic bags. This kind of material is only accepted at the Transfer Station on Hwy 34.

Computers (e-recycling) – SC passed a legislation which was effective July 1, 2011, this law states that a resident may not knowingly place or discard a computer, computer monitor, printer or television in any waste stream that is to be disposed of in a solid waste landfill. To see more on this new legislation click on http://www.scdhec.gov/environment/lwm/recycle/e-cycle/index.htm

Aluminum Cans – beverage cans only. No cat food cans, pie plates or aluminum foil.
