A yes vote adds this expenditure and increases estimated tax millage needs by 0.2 mills.

Mr. Livingston said this is mandated by Act 223. This is another unfunded state mandate that we have to put in place.

There being no further discussion, Mr. Livingston called for the vote. Vote was unanimous.

5.11 MOTION: Mr. Cain moved to reduce funding from Contingency, One-time Capital in the amount of $9,877 and increase funding Coroner, Capital in the amount of $9,877. No second to Mr. Cain’s motion.

Mr. Reeder moved to NOT reduce funding from Contingency, One-time Capital in the amount of $9,877; second by Mr. Stockman.

Mr. Reeder said if this was approved, Council would have to approve everything else that came through. He felt this needed to be put off until another time.

Mr. Cain said the Coroner’s computers were 8 to 10 years old. About 5 years is a computer life. Also, they handle about 250 pounds of pills. He met with their International Accreditation Board the other day, and they can’t make anything mandatory but if they could, that would be
one thing. You are exposing the personnel handling the 250 pounds of pills a year and accountability is a factor. Mr. Cain felt Council should at least give them a pill counter.

Mr. Reeder said a lot of other departments wanted different things that were cut. He could understand the need for it but what will the other departments think if we approve that and not allow what they wanted.

Dr. Rucker requested the Chairman to call for the question. Mr. Livingston called for the vote. Voting for the Motion to NOT fund the Coroner’s request: Council Members Livingston, Koon, Stockman, Reeder, Rucker and Scurry. Voting opposed: Council Member Cain. A yes vote increases the revenue source by $64,263, decreasing estimated tax millage needs by 0.5 mills.

Mr. Livingston said at one time Newberry County had been short-changed by the Local Government Fund by $860,000. We are still shorted by approximately $600,00 the Local Government Fund, which is what the State is supposed to give back.

There being no further discussion, Mr. Livingston called for the vote. Vote was unanimous.

A yes vote preserves the $100,000 as part of the fund balance. This amendment has no impact on estimated millage needs.

There being no discussion, Mr. Livingston called for the vote. Vote was unanimous.

There being no discussion, Mr. Livingston called for the vote. Vote was unanimous.

Based on the amendments as passed, the total millage is 124.1 mills, which is a 1.9 mill increase over the 122.2 mills.

Mr. Cain did not disagree with what was in the budget but disagreed with the budget process this year.

Mr. Livingston said in the past 8 to 10 years Council has reduced the millage by 18 mills. The County has been extremely frugal. None of Council ever wants to vote for a tax increase but there comes a time when you are not only stewards of the taxpayers’ money, you are also stewards to provide the services.
There being no further discussion, Mr. Livingston called for the vote for third reading, as amended. Voting for third reading, as amended, were: Council Members Livingston, Koon, Stockman, Reeder, Rucker and Scurry. Voting against third reading: Council Member Cain. Motion for third reading, as amended, passed by a majority vote.

Mr. Adams asked Mr. Tothacer to advise Council that what is in the budget dealing with salary increases will all be based on merit this year. There is no other basis for increases to employees.
